Bando Oficial de la Villa Real de Santa Fé de San Francisco de Asís Nuevo México

Whereas:

Sancho and Anna Soeiro have been an asset to our community. Having a combined 35 years in Santa Fe, Anna, the first paid employee of the Santa Fe based Non-Profit Buckaroo Ball Organization, stayed on as a volunteer there as well as volunteering with CASA in the 1st Judicial District. Sancho, following in his mother's footsteps, has picked up her legacy of supporting the arts by maintaining and helping preserve Frank Lloyd Wright's Pottery House.

Whereas:

In the spring of 2007, the young couple took the plunge and opened Dish N' Spoon Café and Gifts in the building that housed Griego's Grocery Store for 70 years. Anna has fallen in love with the building and history that came with it and Sancho's dream from age 9 was to "be a baker" was fulfilled at Café at 620 Old Santa Fe Trail.

Whereas:

Sancho, Anna and their beautiful daughter Rowan are mindful of their contributions to the Santa Fe community, providing wonderful food while supporting the community they live in. Participating in the Souper Bowl; that supports the Food Depot, The Santa Fe Farmers Market vendors, Santa Fe Alliance's Farm to Restaurant Project, Locals Cares, and the City's Buy Into It! Campaign. When the economy began failing, the family took the lead and initiated "Pay What You Are Able Monday's" at the Café - spreading their spirit of service to their community and paving the way for other restaurants to follow in the spirit of giving.
